Dear Mr. Hueppe:

We completed our review of the renewal application you submitted for approval under the South Coast Air Quality Management District's Laboratory Approval Program (LAP). We are pleased to inform you that your firm is approved for the period beginning August 31, 2020, and ending August 31, 2021 for the following methods, subject to the requirements in the LAP Conditions For Approval Agreement and conditions listed in the attachment to this letter:

Method 25.3 – Source Test Analyses
Rules 1420, 1420.1, 1420.2 – Ambient Analysis
Rules 1420, 1420.1, 1420.2 – Source Analysis

Also attached is a voided check (check no. 47294) for \$577.68, dated July 29, 2020, which was submitted to pay for the LAP renewal fee. This check is being returned because an earlier check (check no. 47120) for \$577.68, dated July 14, 2020, was submitted and processed.

Thank you for participating in the LAP. Your cooperation helps us to achieve the goal of the LAP: to maintain high standards of quality in the sampling and analysis of source emissions. You may direct any questions or information to LAP Coordinator, Glenn Kasai. He may be reached by telephone at (909) 396-2271, or via e-mail at gkasai@aqmd.gov.
