Vermont Certification is based in part upon current Florida Accreditation Certificate of Approval number E871147-10, January 17, 2025 to June 30, 2025. Laboratories are certified in Vermont based, in part, upon its Primary Accrediting Body(ies) drinking water accreditation(s). Loss of drinking water primary accreditation (in part or whole) constitutes loss of certification in Vermont for the same drinking water tests.
